Twentieth Sunday of Ordinary Time August 14, 2022

Dear Friends,

Monday August 15th is the Solemnity of the Assumption of the Blessed Virgin Mary. It is a wonderful Holy Day. **Along with our normal Noon Mass on Monday we will also offer an evening Mass at 6pm for this special feast**, all Masses will be in the Church. We believe at her passing Mary was assumed body and soul into Heaven. The greatest disciple of her son is not only the perfect model for us in life, but also is the first to experience the fullness of our heavenly reward. A devotion to Mary is truly the surest way to know, love, and follow Jesus.

Thinking of Mary reminds me of the blessing it is to have the Notre Dame Mission Volunteers at our pastorate. Founded by the Sisters of Notre Dame de Namur this wonderful mission sends some 400 volunteers in over 200 sites in America and overseas to help people achieve their goals through education. During this pandemic the essential impact education has in helping those who are in need has become crystal clear. Thanks to their amazing work over 12,000 students every year receive this much needed help in very difficult circumstances. Volunteers from all over dedicate 11 months of their life to this heroic and loving service. We are so very blessed to house their headquarters here, they fit so well with the culture of our pastorate. In fact, they fit even better now, because they have moved over to the parish offices and our beloved IOSC is moving over to the convent. Please pray for the work of the Notre Dame Mission Volunteers this week and ask Our Blessed Mother to keep sending them such courageous and needed volunteers. What a beautiful gift it is to dedicate oneself to such an important mission and what a gift it is to help this organization in any way we can. I close with their mission statement that you can find on their website, www.ndmva.org.

“Notre Dame Mission Volunteers believes that education is the central tool in the struggle for human **dignity**, self-esteem, and willpower. We seek to build **community** among our members, as well as the people with whom we work by reaching out across culture and class. We are committed to helping people help themselves. Our goal is to promote and encourage **education**, **community** empowerment, **leadership** development and **multicultural** harmony.”

Peace and love,
Fr. Matt
